

# **MagAO-X**

## **Preliminary Design Review**

## **Table of Contents**

### **1 Introduction and Overview**

### **2 Optical and Mechanical Design**

- 2.1 Overall Design**
- 2.2 WFS Design**
- 2.3 Alignment Plan**
- 2.4 Shipping Plan**
- 2.5 MES Specification and Status**
- 2.6 MEMS DM Environment and Safety**

### **3 Electronics, Computers, and Software**

- 3.1 Electronics Design**
- 3.2 Computers and Data Management**
- 3.3 Software Design**

### **4 AO Control and Simulations**

- 4.1 AO Control and Simulations**
- 4.2 Low-Order and Focal-Plane Wavefront Sensing and Control**

### **5 Optical Performance**

- 5.1 Optics Specifications**
- 5.2 vAPP Coronagraph Design**
- 5.3 Fresnel Propagation Analysis**
- 5.4 System Throughput**

### **6 Management and Budget**

### **Appendix**

#### **A Telescope Interfaces**

- A.1 Optical**
- A.2 Mechanical**
- A.3 Electrical**
- A.4 Cooling**
- A.5 Software**

Note: Each section is individually paginated.
